Of course, life for all of us has changed over the last year and is difficult for all of us in various ways. While the life of the Parish continues, Parish activities are to a great extent suspended. Until there is a large uptake in the vaccine this suspension will continue. But for all our sakes hopefully the infection levels will greatly decrease over the coming weeks and so go back to level 3, at that level, hopefully public mass will resume.

Outdoor Family Offering Collections

The outdoors collection envelope boxes are available for collection. Also included in this year's box of Family Offering envelopes are Easter & Christmas Dues and the November List of the Dead envelopes.

This collection, as you know, is crucial for the practical running of our Parish. The parish also supports the preparation of the children and parents for the sacraments through the Baptism, First Communion and Confirmation Programmes.

Spare envelopes are available on the church stands.

A special word of thanks to the Volunteer Collectors on the ground, for all the work they have done and still do for the parish. In the light of the times, it may not be possible for some collectors to go around and collect the envelopes from homes, in this event, we would appreciate if you could leave the envelope into the indoor church collection boxes, the sacristy, the letterbox or the presbytery 28 Glentworth Park.

Thank you also to those who contribute by standing order, this method is most convenient.

All Church contributions throughout the diocese have greatly reduced. I specially thank you for your continued generosity and support.

If any parishioner would you like to contribute regularly to the Family Offering Collection, either by a **Family Offering Envelope** or by a **Standing Order**, please contact the Parish Office on 01-8160984 or the email above.
