Pastors Desk

We all know that the world is full of temptation. That temptation can come in different guises. You only must know someone with an addiction to gambling, drugs or alcohol for example to understand how difficult it is to make positive life-giving choices each moment of the day to avoid the very thing that is causing them harm and making life difficult for those close to them.

But we are not alone in our struggles with temptation on any level. In the first reading today from the book of Genesis we are told that evil will be conquered or overcome. Saint Paul in his letter to the Corinthians encourages them by telling them how the one who raised the Lord Jesus to life will raise them to the Lord Jesus in turn. They must not weaken in their resolve as the troubles or temptation they are experiencing will soon be over.

Today's gospel speaks of another type of temptation. Initially, Jesus own relatives wanted to take charge of him believing that he was 'out of his mind' and even possessed by the devil. Knowing that they were doubting and asking questions Jesus tries to challenge them by using parables. They didn't really know how to handle Jesus. He warns them against division in the world and promotes unity among people as the cornerstone of his gospel message.

'Anyone who does the will of God, that person is my brother and sister and mother'.

Fr. Gerry

WMOF – If you wish to attend any of the week's activities you **will** need a ticket. Already Single Day tickets for Friday's programme in the RDS are booked out.

Booking tickets for WMOF can be quite difficult. If anyone wants assistance with booking just call Oliver 087 2028862 and we will arrange a suitable day to make bookings.

Papal Mass – we are considering arranging a bus to bring Parishioners to the Papal Mass in the Pheonix Park. It would enable parishioners to travel together and be dropped off close to the Park. If there are sufficient numbers we will make a booking. Call Pat 087 2245535 and leave your name and phone number.

A **Loop** system will shortly be installed in this church that will enable people with hearing difficulties to better hear dialogue and sound. It consists of a **loop** of wire placed round the perimeter of the Church that emits an electromagnetic signal which is picked up by a hearing aid.

The General Data Protection Regulation (**GDPR**) is in force as of 25th May 2018. It increases the obligations and responsibilities for organisations, including parishes in how they collect, use and protect personal data. In order for us to use your data your consent must be freely given and know exactly what you are consenting to. Consent requires a written rather than a verbal confirmation.

We are asking all Church Volunteers to sign a consent form giving the Church permission to contact them on church business. The leader/organiser of each Church Ministry will distribute blank consent forms to each volunteer over the next two weeks. Completed forms should be returned to the Sacristy as soon as possible.
